

PRIVACY POLICY

Users should fully understand the relevant risks of the transaction, and make an objective judgment on their own economic strength, funding sources and risk tolerance from the perspective of a general rational person before registering for a transaction. Users should carefully determine investment objectives, investment quotas and financial product.

Based on the characteristics of Internet transaction users and products, SKYER does not fully guarantee the authenticity, sufficiency, timeliness, reliability, completeness and validity of the transaction information related to digital assets in any explicit or implicit manner. All information, the data and files are for reference only. The user acknowledges and accepts the inevitable risks of trading through skyer. The risk arising from the exchange is borne by the user, and Skyer does not bear the responsibility for the user's loss due to investment risks.

Skyer cannot and does not want to serve certain customers, such as customers from local jurisdictions that prohibit activities involving digital assets, or customers listed on the international sanctions list. We do not want to violate the laws and regulations of various countries. As good corporate citizens, we may be required by law enforcement agencies to provide information and will provide assistance were permitted by law. This means that our platform only welcomes customers who comply with the law. We welcome the opportunity to win your business, and accordingly, we ask you to act legally and correctly on our platform.

Privacy Policy

When you visit Skyer, when you become a Skyer customer, we will collect device-related information, server log information and other types of anonymous information.

We will use customer data to provide services. We know that customers are very concerned about the use and confidentiality of their personal information. In addition, when you register and use your skyer account, we will collect your personal and financial information, and we will use your personal information to maintain your account, provide customer service, and enhance your customer experience. We will use aggregated personal and non-personal

information to improve skyer, monitor and protect the security of our services. Unless you agree or are required by law, we will not sell, rent, or trade your personal information to any third party.

Disclaimer

All products, services and content on the website are provided "as is" without any express or implied guarantee, including but not limited to implied guarantees of merchantability, suitability for specific purposes, ownership, non-infringement, and safety Sex, or accuracy.

Skyer is not responsible for the accuracy or reliability of any information or content, nor does it make any statement or guarantee for the completeness or accuracy of the content provided by third parties on the website. You are responsible for evaluating the accuracy, reliability, timeliness and completeness of any information provided on the website. Skyer hereby declares that it does not undertake the obligation to update the information on the website.

You agree to indemnify Skyer from any liability, loss, claim and expense, including attorney fees related to your breach of these terms of use or use of the services and information provided on the website.

RISK WARNING

The derivatives trading services provided by digital currency trading platforms such as Binance are highly risky, so users need to be cautious when opening and trading derivatives.

SKYER only provides quantitative tool services, and related transactions are set up and operated by users themselves. This behavior also represents the user's complete understanding and agreement of the risks of using SKYER trading tools.

The losses and risks caused by users on digital currency trading platforms such as Binance are not related to SKYER.
